DR. MAXWELL'S CATHARTIC BALSAM.—This is one of the most effectual, pleasant and safe medicine ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing Cholera Infantum, or Cholera Comma, and in this disease it really acts like a charm. All persons are requested to try it, for there is "no mistake" about its being one of the most valuable family medicines ever yet discovered. Handsome testimonials for its efficacy have been received from Physicians, Clergymen, and Families of the first respectability, bearing the strongest testimony of its favor, too numerous to publish.
